

LEARNING AFTER HIGH SCHOOL

Find an adult who works in a position you think you'd enjoy in the future. Ask them if they have 30 minutes for you to interview them. Use the questions below for your interview and write your answers in the spaces. Ask one of your 4-H leaders if you need help finding someone.

- 1. What do you enjoy most about your current job?**
- 2. What do you like least about your current job?**
- 3. What skills are most important for success in your career or field?**
- 4. What challenges or obstacles did you experience on your path to your current career?
How did you overcome those obstacles and challenges?**
- 5. How did you learn how to do your job well? What resources did you use?**
- 6. What local places could help me prepare for success in this field?**
- 7. If you were to give me one piece of advice about how to prepare for success in this job or field,
what would that be?**
- 8. Who are some other people that might be helpful for me to talk to about getting into this
career?**
